Dear Supervisors:

## ADOPTED

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

24 September 13, 2011

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

### **AWARD OF CONTRACT FOR SAN GABRIEL RIVER CLEARING SERVICES (SUPERVISORIAL DISTRICT 1)(3 VOTES)**

#### **SUBJECT**

This action is to award a contract for the intermittent clearing, removal, and off-site disposal of brush, standing vegetation, rubbish, and debris; the removal and trimming of trees; and other incidental and appurtenant work necessary to restore the capacity of the existing earthen-bottom, rip-rap lined San Gabriel River from the Santa Fe Dam in Irwindale to Thienes Avenue in South El Monte.

#### **IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the contract work is categorically exempt from the provisions of the California Environmental Quality Act.
2. Award the contract for San Gabriel River Clearing Services in the annual sum of \$215,692, which includes \$20,000 as reimbursement for disposal costs and a potential maximum contract sum of \$1,186,306 to Oakridge Landscape, Inc. This contract will be for a term of one year commencing upon your Board's approval or execution by both parties, whichever occurs last, with four 1-year renewal options and a month to month extension up to six months for a maximum potential total contract term of 66 months.
3. Authorize the Director of Public Works or her designee to annually increase the contract amount up to an additional 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract, if required; and to adjust the annual contract sum for each option year over the term of the contract to allow for an annual cost of living adjustment in accordance with County policy

and the terms of the contract.

4. Authorize the Director of Public Works or her designee to execute the contract; to renew the contract for each additional renewal option if, in the opinion of the Director of Public Works or her designee, the Oakridge Landscape, Inc., has successfully performed during the previous contract period and the services are still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of the Director of Public Works or her designee, it is in the best interest of the County of Los Angeles to do so.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to provide intermittent clearing, removal, and off-site disposal of brush, standing vegetation, rubbish, and debris; the removal and trimming of trees; and other incidental and appurtenant work necessary to restore the capacity of existing earthen-bottom, rip-rap lined San Gabriel River from the Santa Fe Dam in Irwindale to Thienes Avenue in South El Monte.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The contractor who has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive manner will support the Department of Public Works (Public Works) in meeting these goals.

### **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund.

The annual contract sum is \$215,692, which includes \$20,000 as reimbursement for disposal costs plus 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract. The annual contract sum may be adjusted for each option year to allow for an annual cost-of-living adjustment in accordance with County policy and the terms of the contract. This amount is based on the unit prices quoted by the contractor and Public Works' estimated annual utilization of the contractor's services and disposal fees.

Funding for these services is included in the Fiscal Year 2011-12 Internal Service Fund Budget, which will be reimbursed by the Flood Control District Fund Budget. Funds to finance the contract's optional years, cost-of-living adjustments, and 10 percent additional funding for contingencies will be requested through the annual budget process.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The recommended contractor is Oakridge Landscape, Inc., located in Valencia, California. This contract will commence upon your Board's approval or execution by both parties, whichever occurs last, for a period of one year. With your Board's delegated authority, the Director of Public Works (Director) or her designee may renew the contract for four 1-year renewal options and a month-to-month extension up to six months for a potential maximum contract term of 66 months.

The contract will be in the form previously reviewed and approved by County Counsel (Enclosure A). Prior to the Director executing this contract, the contractor will sign and County Counsel will review it as to form. The recommended contract with Oakridge Landscape, Inc., was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the requirements of the Chief Executive Officer and your Board.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The contract contains terms and conditions supporting your Board's ordinances, policies, and programs including, but not limited to: the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board directed clauses that provide for contract termination or renegotiation.

Data regarding the proposers' minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

Pursuant to the applicable memorandum of understanding, the Request for Proposals (RFP) for these contracted services was submitted on April 27, 2011, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code, Chapter 2.201) does not apply to this recommended contract, which is for services required on an as-needed, and intermittent basis; hence, this contract is not a Proposition A contract (Los Angeles County Code, Chapter 2.121).

The contract includes a cost-of-living adjustment provision, which is in accordance with your Board's Policy approved January 29, 2002.

## **ENVIRONMENTAL DOCUMENTATION**

These services are categorically exempt from the provisions of the California Environmental Quality Act (CEQA). These services are within a class of projects that has been determined not to have a significant effect on the environment in that they meet the criteria set forth in Section 15301(h) of CEQA.

## **CONTRACTING PROCESS**

On April 28, 2011, Public Works solicited proposals from 403 independent contractors and community business enterprises to accomplish this work. Also, a notice of the RFP was placed on the County's bid website (Enclosure B), and an advertisement was placed in the Los Angeles Times.

On May 25, 2011, 11 proposals were received. The proposals were first reviewed to ensure they met the minimum requirements in the RFP. One proposal was rejected for not meeting the minimum requirements. The remainder of the proposals having met these requirements were then evaluated by an evaluation committee consisting of Public Works staff. The committee's evaluation was based on criteria described in the RFP, which included the price, experience, work plan, references, and equipment using the informed averaging methodology, for applicable criteria. Based on this evaluation, it is recommended that this contract be awarded to the highest-rated, apparent responsive and responsible contractor with the lowest-cost proposal, Oakridge Landscape, Inc.

## **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The award of this contract will not result in the displacement of any County employees.

## **CONCLUSION**

Please return one adopted copy of this letter to the Department of Public Works, Administrative Services Division.

Respectfully submitted,

GAIL FARBER

Director
